How To Make This Report Your 24/7 “Digital Sales Machine!”

I hope you enjoyed this free report.

Before you rush off to share this report with your Facebook friends and Twitter followers, let me ask you a question...

Would you like to get paid a commission when the people you share this report with purchase any of the recommended products/services?

If so, then all you have to do is rebrand this report with your affiliate ID before sharing it with others. That's it. You can then post it to your blog, share it on Facebook and Twitter, share it with your list or even use it to build your list.

And here's the best part...

Your readers will also receive “giveaway rights” to this report. Which means, if they give it away *without* rebranding it (*and many will*) you'll get paid commissions on ALL of their referred sales as well. Example: Let's say “Stephanie” downloads your report, but *does not* rebrand it with her ID. She then shares YOUR branded version with Bill who buys [The Internet Marketing 4 Newbies Video Tutorials](#) – guess what? **YOU** just got paid... *Cha-ching!*

Get excited! Because you're about to unleash your own “digital sales machine” that cranks out commissions for you 24/7 (*even while you sleep!*)

Here's what to do next...

Step 1: Get Your Branding Rights from [This Link](#)

Step 2: Start sharing your new report with others and **GET PAID!**
